

# Thank You Westside Methodist

On behalf of the membership of Western Farm Workers Association, thank you for your generosity and participation in our annual Holiday Campaign. The economic hardships created by the pandemic left over half our membership behind on rent and bills, while the tradition of a holiday meal and family gifts were out of reach.

With your support, our Holiday Campaign provided Thanksgiving and Christmas meals to over 120 low-income membership families and toys and blankets for 300 children. Through uniting together in the spirit of self-help we met immediate needs while building towards the goal of eliminating poverty at its roots.

We wish you and your families a safe, healthy and Happy New Year!
